**Response to Office Action Dated December 7, 2004
(Submitted via Facsimile)**

In response to the Examiner's office action dated December 7, 2004, applicant is providing a response that includes, on separate sheets:

1. Claim amendments; and
2. Remarks in support of the aforementioned amendments.

Applicant further requests a two month extension of time. The three month statutory period provided in the Notice expired on March 7, 2005. The additional two month extension of time period ended on Saturday, May 7, 2005. Pursuant to M.P.E.P. Section 710.01(a), where the response period ends on a Saturday, a response is timely filed if filed on the succeeding business day. Therefore, applicant believes it is responding to the office action within the two month extension of time and, accordingly, is submitting a \$450 fee.

Applicant believes that it has satisfactorily addressed the bases underlying the Examiner's objections and rejections. Applicant therefore submits the present application is in form for allowance.
